COS-C EXAM CRAM <i>Updated for January 2025</i> Two-part exam refresh session with interactive test questions and education organized to mimic the breakdown of the COS-C exam. Participants will respond to mock exam questions followed by a detailed discussion led by OAI's team of experts, identifying correct and incorrect guidance provided in responses. Detailed reference sources are provided for all guidance discussed, creating a post-event study plan that is customized by the participant. All domains of the exam will be represented in the mock exam questions and training. Session materials include an Exam Cram Workbook which will be available for download using the webinar platform.	Individual Access (ONE participant) through Dec 31, 2025	\$299	x	= \$
	Agency Access (ONE participant) through Dec 31, 2025	\$599	x	= \$
OASIS NOW <i>Updated- January 2025</i> OASIS Now is a 3-part OASIS orientation series designed to provide important core foundational OASIS guidance to support an agency's OASIS orientation and competency program. This streamlined training is based on current OASIS guidance. Each session provides scenarios and rationale for reinforcement and application of teaching points. Access through Dec 31, 2025		\$597	x	= \$
